

History home learning - The Sinking of The Great Titanic - Autumn Term 2021

Please complete **one activity** before half term. You can do more than one activity if you like, or create your own if you have other ideas! Bring them in any time to show and share. For every piece of homework you will be awarded with a metric stamp and a sticker. Please let me know if you need any resources to help. Please note that this home learning is compulsory in line with our school homework policy.

I look forward to seeing your super projects ☺

<p>Draw it!</p> <p>Draw and make a poster encouraging people to buy a ticket to board the Titanic. Include information about all the facilities on board the ship and what makes it the best ship in the world! What different types of tickets were there? How much did the different types of tickets cost?</p>	<p>Make it!</p> <p>Design and make a model of RMS Titanic. You can use any type of material that you want for your model. What different parts of the ship can you label?</p>	<p>Explore it!</p> <p>Explore objects/materials that sink and float. How could you represent your results? What would be a good material to make a life jacket? Why?</p>
<p>Research it!</p> <p>There are many fascinating stories about the different people on board the Titanic, both those who survived and those who sadly lost their lives. What interesting people can you find out about? Some suggestions are: the band, Millvina Dean, John Jacob Astor, Molly Brown and Captain Edward John Smith.</p>	<p>Map it!</p> <p>Can you research the route the Titanic would have taken? Can you draw and label this on a world map?</p>	<p>Write it!</p> <p>Write a diary entry or a short story of a passenger on board the ship. Who are you (think about the different classes of passengers)? What was the ship like before it sunk? What happened on the night it sunk? How did you feel? How did you survive?</p>
