

Year 1 Homework Summer term 1

One piece of **Geography** OR **Science** due in by Friday 26th May

China

Plants

Homework can be anything you choose to do on **one** of the above topics.
(For example)

A fact-file about China.	A map of bordering countries.	Chinese style writing.	Chinese New Year. (Year of the Rabbit)
A poster about the different types of plants local to us.	Grow a seed and keep a seed diary.	A model of a plant, labelling parts and functions.	What is pollination? What creatures are pollinators? Did you know that there is a mammal that is a major pollinator?
