

Year 1 Homework Autumn term 2

One piece of **Geography** OR **Science** due in by Friday 15th Dec

Our Local Area

Weather - Autumn/Winter

Homework can be anything you choose to do on **one** of the above topics.
(For example)

A fact-file about Aston/Stevenage.	A map of your journey to school/friend's house.	A map of your local park.	Show and tell about something you have done in the local area.
A poster about the different weather in the UK.	Comparison about the different climates around the world with the UK.	A weather report taken over a period of time.	A weather forecast (you can post this as a video on seesaw).
