

Year 1 Homework Spring term 1

One piece of **History** OR **Science** due in by Friday 16<sup>th</sup> February 2024

**History of Toys**

**Everyday materials**

Homework can be anything you choose to do on **one** of the above topics.  
(For example)

A poster about how certain toys have changed throughout time.  
(E.g. Teddy bears)

A fact file about toys from a certain era.  
(Victorian)

Photos to show any old toys your family may have.  
(Can post on Seesaw)

Toys from different parts of the world or different cultures.

A poster about the different materials and their properties.

Information on what materials are good and why we use them for specific purposes.  
(You wouldn't want an umbrella made from cotton wool!)

Make an object and material sorting game. You could ask an adult to help you find pictures online or draw your own.

Make a model from recycled materials and talk about what you have used and why?
