

Year 1 Homework Spring term 1

One piece of **History** OR **Science** due in by Friday 13th February 2026

History of Toys

Everyday materials

Homework can be anything you choose to do on **one** of the above topics.

(For example)

<p>A poster about how certain toys have changed throughout time. (E.g. Teddy bears)</p>	<p>A fact file about toys from a certain era. (Victorian)</p>	<p>Photos to show any old toys your family may have. (Can post on Seesaw)</p>	<p>Toys from different parts of the world or different cultures.</p>
<p>A poster about the different materials and their properties.</p>	<p>Information on what materials are good and why we use them for specific purposes. (You wouldn't want an umbrella made from cotton wool!)</p>	<p>Make an object and material sorting game. You could ask an adult to help you find pictures online or draw your own.</p>	<p>Make a model from recycled materials and talk about what you have used and why?</p>
